ADMINISTRATION

This group consists of our five member board of education, superintendent of schools, and clerk-treasurer.

Each board member has been elected, by the citizens of our community, for a term of four years.

Three of these members were elected in November, 1949. The other two in 1951. They took office during the first week of the following January.

Pictured on this page are:

Mr. Earl F. Bahm, president of the board of education
Mrs. Anna H. Peters, vice president
Mr. Frank Kniola, board member
Mrs. Sara Jane Jablonski, board member
Mr. Donald E. Mantel, board member
Mr. O. H. Schaaf, superintendent of schools
Mr. Jack F. Wilson, clerk-treasurer

The quality of our teachers, the condition of our buildings, grounds, textbooks, and educational equipment attest the sincerity, foresight, and efficiency of these men and women.

So long as Garfield Heights citizens elect board members because of their capabilities and their genuine interest in good schools, our youth will be assured of excellent educational advantages.

Principal

This issue of the Pioneer Yearbook will have special significance because it is published in the year of the Ohio Sesquicentennial observation when all Ohio is celebrating the achievements of the first one hundred fifty years of existence as a State. The love of state and a knowledge of its history and traditions are a most important part of education in our democracy. Faith, inspiration, and a sense of security come from an appreciation of our pioneering past.

The Garfield Pioneer is very aptly named. Its pages will furnish the history and traditions of a segment of Ohio which are very important in the lives of all who have been privileged to graduate from Garfield Heights High School. Reading these pages now and in years to come will inspire love of state, love of community, a sense of security, and an appreciation of the educational advantages provided by the good citizens of Garfield Heights.

CHARLES P. LINDECAMP,
Principal.

The Night Before Graduation

Tw'as the night before Graduation, and all through the school,
Not a student was stirring, for that was the rule.
The diplomas were laid in the office with care,
In hopes that each Senior soon would receive theirs.
The scholars were sleeping at home in their beds,
While visions of future plans whirled in their heads.
I put on my nightgown, I pinned up my hair,
And soon fell asleep, with nary a care,
When soon in my dream there arose such a clatter,
I sprang from my bed to see what was the matter.
Away to the high school I flew like a lark,
Straight to the auditorium, which was totally dark.
Suddenly the spotlight cast a faint rosy glow,
On the big dark stage and what it had to show.
Then what to my wondering eyes should appear,
But a rosy picture of four wonderful years.
Now Senior, now Junior, now Sophomore, now Freshman,
(I could tell I was in for an all night long session.)
Our laughter, our heartaches, our good times, our tears,
All played a part in those fabulous years.
Our dances, our sports, our pictures, our class rings,
Our teachers, our studies, our grade cards, so many things!
Our jobs, vacations, the Prom, class pictures,
The yearbook, the Showboat, assemblies—what a mixture!
And then in a twinkling I heard from the side,
A sound of low voices, and I could have cried
For I knew that the end of my dream was near,
I wished that all Seniors could have been there.
Then our principal stepped into view,
He had one desire, to give us our due.
He gave a short talk on the world's sorry plight,
It was our job, he said, to turn wrong into right.
I clutched my diploma and thought of the past,
Our days spent at Garfield had gone by too fast.
I felt a strange sensation from my head to my toes,
The spotlights dimmed to a faint hazy rose,
And I heard him exclaim before fading from sight,
God bless all you Seniors, good luck and good night.

The varsity squad of cheerleaders consists of 5 members, all who are graduating this June. They are as follows: Marilyn Millar, 1 year; Lil Musial, 2 years; Dorie Miller, 2 years; Kae Kist, 2 years; and Dolly Nemec, captain, 2 years.

The cheerleaders are sponsored by Mrs. Ethel Witter. They have followed the football and basketball teams through both seasons and

have done much to create good sportsmanship and spirit throughout the student body, by their pep rallies and their own spirit when cheering for the teams.

Again this year they held a successful dance, the "Fall Frolic," and with the proceeds they purchased new blouses for the basketball season.

J. V. CHEERLEADERS

The J. V. Cheerleaders cheered for all Junior Varsity football and basketball games and also, all freshman football and basketball games. This year the squad is composed of all Juniors: Donna Niemann, Pat Sutowski, Carol Hertrick, and Audrey Schieda, captain. Their sponsor was Mrs. Ethel Witter.

DRUM MAJOR AND MAJORETTES

This year the band was led by drum major Frank Zeleznik and our eight attractive majorettes: Joan Clark, Pat Priebe, June Scherler, Shirley Specht, Diane Martin, Betty Lou Nutt, Ruth Wolfinger and Donna Lee Brush.

In order to become a major or majorette you must have one year of marching experience and also play an instrument in the concert band.

GARFIELD MIRROR STAFF

The Garfield Mirror, student newspaper, now in its twenty-sixth consecutive year of publication is maintaining the high standards set in the previous quarter century of publishing.

Supervising the editorial staff of reporters, headline and feature writers is Mrs. Louise Conley while the business staff is advised by Mr. Philip B. White, who was the founding advisor in 1927, and still has an interest in the Mirror's destiny.

Seniors, juniors and sophomores report daily to Mrs. Conley in the staff's production office where the actual writing and editing take place to maintain a two week publication schedule.

Student subscriptions, supplemented by advertising, enable the Mirror to financially support itself. The Mirror is a member of the National Scholastic Press Association, as well as state and local groups.

The Mirror staff presented a group interview of student leaders at the March meeting of the high school parent-teachers association to give a cross-section of student activities to the adults of the community.

The staff this year consists of Larry Davis, Ed Schuman, Carol Priebe, Donnalee Brush, Adelaide Di-Fino, Wayne Trubiano, Russ Meermans, Peggy Feucht, Donna Neimann, Audrey Scheida, John Lentz, Bette Lou Nutt and Kathryn Lesmer, who is the only Freshman on the Staff.

G. A. A.

The Girls' Athletic Association is organized for girls in grades nine through twelve. The girls participated in intramural sports, either to earn points for a numeral, a letter, or finally, to have their name on the G. A. A. Plaque.

The G. A. A. cabinet consisted of thirteen members: Pres., Dolly Nemec; V. Pres., Sue McCormick; Sec., Doris Miller; Treas., Elaine Kolakowski; Attendance Sec., Donna-lee Brush; Social Chairman, Kae Kist; Archery, Annabelle Bump; Publicity Chairman, Florence Harrison; Speedball, Carole McBride; Tumbling, Jean McVoy; Basketball, Peggy Feucht; Volleyball, Marcia Sholtz; Baseball, Marilyn Millar. Miss Seidel and Mrs. Witter deserve much credit for all their help in the organization.

Some of the doings and activities of this year's club are: The Soccer Supper, The Annual Basketball Carnival, G. A. A. Reunion, P I N I (Parents and I) Night, and serving refreshments after football and basketball home games to our team and our visitors to promote good will and sportsmanship.

Y-TEEN

The Y-Teen Club is primarily a service organization. This year they have presented three all-school assemblies: Thanksgiving, Valentine, and the annual Y-Teen King assembly which was followed by an all-school dance. BASEBALL

The team, living up to pre-season forecasts compiled a commendable 8-7 record, five of the 7 losses being decided by one run margin.

With batting championship, slugging championship, and leader in R. B. I.'s tucked under his belt, Fran Snyder, easily won The Most Valuable Baseball Trophy. Although missing him as they will the Macmen expect to go far with their seven returning lettermen.

BOWLING 1952-53

The bowling team this year under the direction of Coach Walter Williams, and Captain John Lentz, placed seventh in fourteen in the league at the time of printing, won, so far, 33 and lost 30. The members were as follows: Captain John Lentz, Jim Dobric, Jerry Plonski, Mike Pasek, Chuck Rhodes, and Bob Patocsnik.

TRACK — 1952

Although unable to win a meet, the Track Team under their new coach, Cliff Foust, showed that they will be right up there again this year with their same fine spirit. Outstanding performances were turned in by Don and Walt Anthony winners of Conference Championships in broad-jump and high-jump respectively. Don, with a third place in the District Meet, was the team's only qualifier for the State Meet in Columbus.

Williams, Vasanda, Manager Davis, Head Coach Foust, Coach Knazek.

Playing better than expected the bulldogs won two impressive victories over Parma and University and continued this fine play and spirit although overpowered and out-scored by Bellaire. The heart-breaker of the year came when Maple Heights scored on a last minute drive to sneak through a see-saw battle 32-27. Spirit sank low when the bulldogs fell to Willoughby, but like true champions the bulldogs, in their annual Homecoming Game overpowered the highly favored Brush High Archs 7-6 for the highlight of the season. Walking over Bedford and nosing out Berea proved the last taste of victory for the bulldogs for they found themselves on the short end in their final contest in Painesville. The team and their new coach, Cliff Foust, deserve much credit for their fine record which enabled them to finish 3rd behind co-champions Willoughby and Maple Heights.

Garfield was well represented on the All-Conference team placing Rich Rosa, halfback, on the first team and Wayne Trubiano, halfback, and Frank Fiore, linebacker, on the second team. The third team choice was Ralph Palmer, end. Receiving Honorable Mention were Jack Watters, center; Allan Tepley, tackle; Don Fracasso, tackle; and Roger Sobieski, guard.

BASKETBALL - 1952-1953

Basketball 1952-53, Left to right: Fracasso, Coach McCulloch, Vasenda, Watters, Trubiano, Captain Anthony, Papczun, Pedder, James, Zeleznik, Chatfield, Managers: Davis and Schuman.

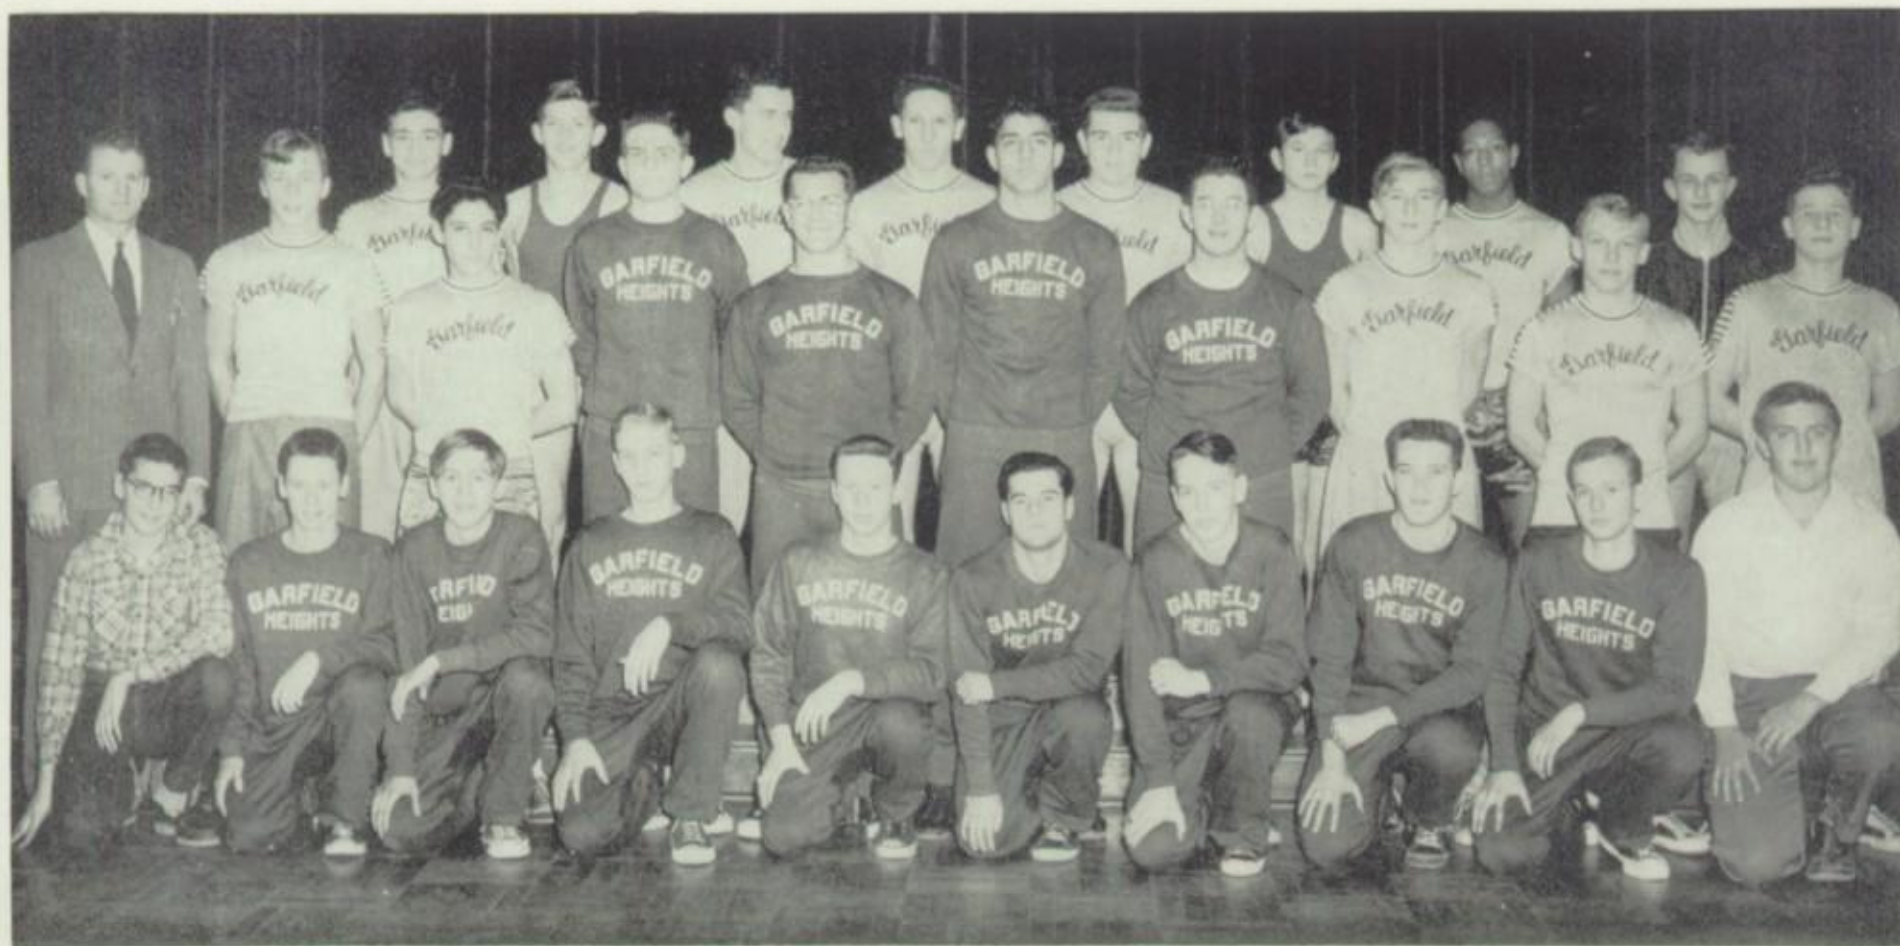

Most of the season, the 1952-1953 edition of the Garfield Bulldogs was hounded by hard luck. Although they scored more points per game than any of the four preceding teams, the Bulldogs could not win consistently. As a result their record was an unimpressive 6-11. The games were exceedingly close, however, and provided a good measure of thrills.

Coach Carl McCulloch introduced a new twist this year. To slow down a game and break open an opponent's zone defense, he had the boys hold the ball at mid court until the anxious opponent came out of the zone. In the second Willoughby game, for example, Garfield held the ball for five straight minutes without scoring a point.

The Bulldogs finished fourth in the Greater Cleveland Conference despite the fact that Walt Anthony and Wayne Trubiano each scored over 200 points for the season.

Third row, left to right: Falcone, Duplay, Morris, Klepac, Dlugas, Lally, Elie, Roberts.

Under a new coach Mr. William Morris, this year the Bulldogs enjoyed a better season than was expected. Although only a 3-6 record, our team won many individual matches by decisions but when they lost it was often by a fall, thus giving their opponents more points than were won by a decision. Coach Morris has a nucleus of a good squad returning for the 1953-54 school year and hopes to better this year's record.

Captain Tom Gredesky won State Honors by finishing fourth in the 120 pound class in the All-State Tournament held at Western Reserve University.

FROSH BASKETBALL

With Mr. Clifford Foust as their new Coach, the Frosh this year tied the school record for the most victories by a freshman team, winning 5 and losing an equal number. Next year most of the squad will move up to Varsity or JV positions.

Aside from being very active in many clubs, to name a few; Vice President of the National Honor Society, Treasurer of canteen committee, and Social chairman of the band—Dolly was a Varsity cheerleader this year, and a JV cheerleader in her Junior year, serving as captain both times.
